Mary's Meals

We are hoping to support this charity by collecting **foreign currency** and **out of circulation British and Foreign Currency** however small. The organisation collects, collates, exchanges and sells it to support their work.

See Mary Howard for further information.

Tackling child poverty through the promise of a meal

Mary's Meals is a registered charity serving a nutritious daily meal to some of the world's poorest children to attract them into the classroom where they can gain an education and a brighter future.

There are 78 million primary school-age children out of school around the world; they have to work or beg to survive. And when they do make it into the classroom, hunger affects their ability to learn.

Mary's Meals gives children the energy to learn so they can become the men and women who will lift their communities out of poverty in later life.

It costs just £19.15 to feed a child with Mary's Meals every day for a school year!
